SUBCONTRACTOR & SUPPLIER ENGAGEMENT AT KIEWIT

WORKING WITH KIEWIT DC/MARYLAND/VIRGINIA AREA

Kiewit has highly inclusive procurement and contracting practices designed to engage businesses for a broad range of services to support project needs. It is Kiewit's intent to provide small and local businesses an equal opportunity to participate in the projects we build.

We evaluate companies on different criteria based on specific project requirements.

This may include, but is not limited to:

- Proven quality record
- Certifications/Licenses
- Insurance and bonding capability
- On-time performance
- Years in business
- Reputation
- Past performance with Kiewit
- Value-added products and services

WE'RE BUILDING MORE THAN INFRASTRUCTURE

Kiewit believes in investing in the communities where we work and live. As a company, we are committed to creating meaningful positive impact by:

Building upon both new and existing subcontractor and supplier relationships to foster long-term, strategic partnerships.

Investing and participating in local training and apprenticeship programs to create a pipeline of local talent for sustainable careers in construction.

Offering best-practice training and mentorship that supports the development and growth of current and prospective business partners.

Collaborating with community and industry support organizations to connect firms with resources and guidance to mitigate barriers to participation.

LET'S BUILD TOGETHER

Kiewit is committed to actively engaging businesses that bring value to our clients and the projects we deliver. We maximize opportunities for local and small business participation by:

- Ensuring that our estimators, project engineers, and staff involved in procurement are trained on including a wide-range of businesses in our subcontracts
- Dividing work into economically feasible packages to ensure meaningful participation
- Conducting extensive contractor and supplier outreach efforts to foster relationships with businesses
- Partnering with local community organizations to promote contracting opportunities and create access points for relationship building
