

### Traffic Holds Near Key Bridge – Starting, Saturday, November 15, 2025

As part of the ongoing Key Bridge Rebuild construction, continued demolition work will take place starting **Saturday, November 15, from 6 AM to 7 PM** along I-695 near Broening Highway, under the existing Francis Scott Key Bridge structure.

Motorists may experience **brief, intermittent traffic holds (about 15 minutes at a time)**. These temporary holds are necessary to safely complete demolition activities.

**Truck Traffic:** Please follow **designated Baltimore City truck routes**.

**Weather:** Traffic closures are **weather-dependent**. For the latest updates, visit the project website.

Thank you for your patience as progress continues with rebuilding this vital connection.
